Dated: August 16, 2013

Dear Ms. Dyson:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request.

This is a follow-up to a file review that was conducted on November 13; 14, and 21, 2013 by you, and Ms. Sheila Gardner, also of your office. The files that were reviewed and scanned by Ms. Gardner are for Hess Port Reading Refinery at 750 Cliff Road in Port Reading, New Jersey. EnviroTrac brought in a scanner, and scanned what documents were needed.

Enclosed is a list of RCRA documents, and a copy of each listed document that Ms. Gardner requested that we copy, and send to your office, since these documents were not scanned.

Please include the above referenced request number on the face of your check, or money order, and in any inquiries regarding this response.

Sincerely yours,
